

SAFETY RAIL WITH STEP

"The GSE Problem Solvers"

FEATURES

- Keeps your GSE operations OSHA Compliant
- Retracts Flush (just like OEM handrail)
- Stainless Steel T-Pin Lock
- Made in the USA
- High Strength Steel Construction
- Skydrol Resistant Paint System
- Adjustable Front Handrail
- Kit includes new mounting hardware
- Part Number AP1201-0001

Replacement Safety Rail is designed to retrofit onto TUG 660 Belt Loaders. It features an adjustable angle reduced height handrail at the aircraft end of the belt to clear the engine cowl of regional jets.
